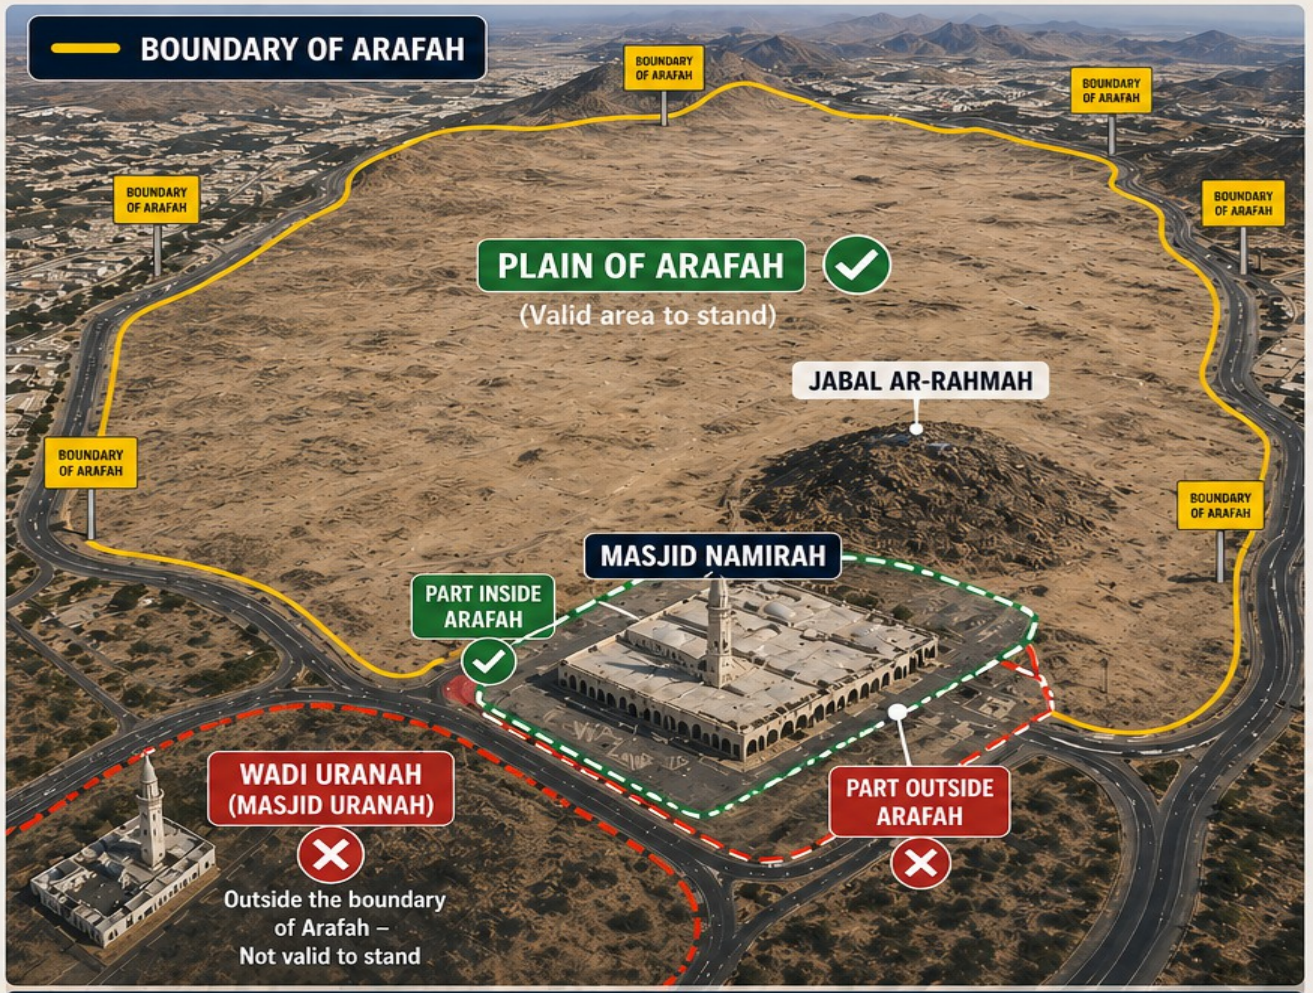
STAY WITHIN THE BOUNDARY LINES OF ARAFAH

Staying within the boundary lines of Arafah is essential for the validity of Hajj, as standing on the plain of Arafah is the most crucial pillar of the pilgrimage.



For a valid Hajj, ensure you remain within the boundary lines of Arafah.

BOUNDARY MARKERS

The Saudi government has placed clear yellow billboards and signs to mark the boundaries of Arafah.

THE FORBIDDEN AREA

It is not valid to stand in Wadi Uranah (often labeled as Masjid Uranah), as it is technically outside the boundary of Arafah.

NAMIRAH MOSQUE

Part of the Namirah mosque lies within Arafah, while the front part is outside it. Pilgrims should ensure they are not in the front section.

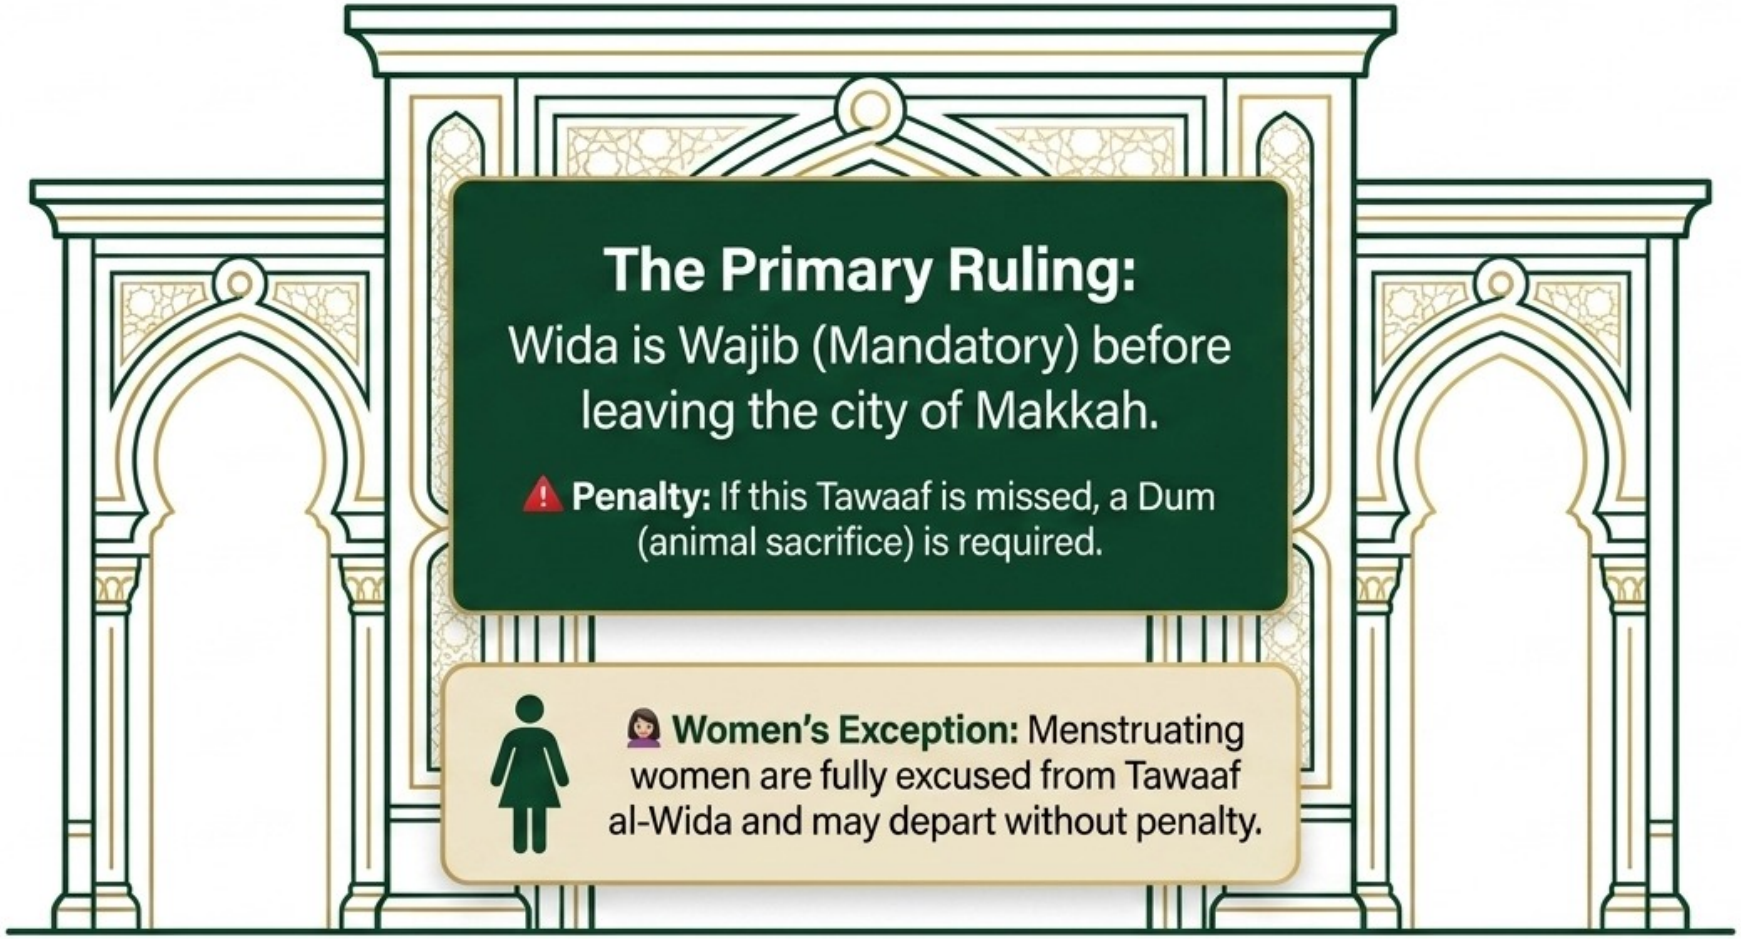
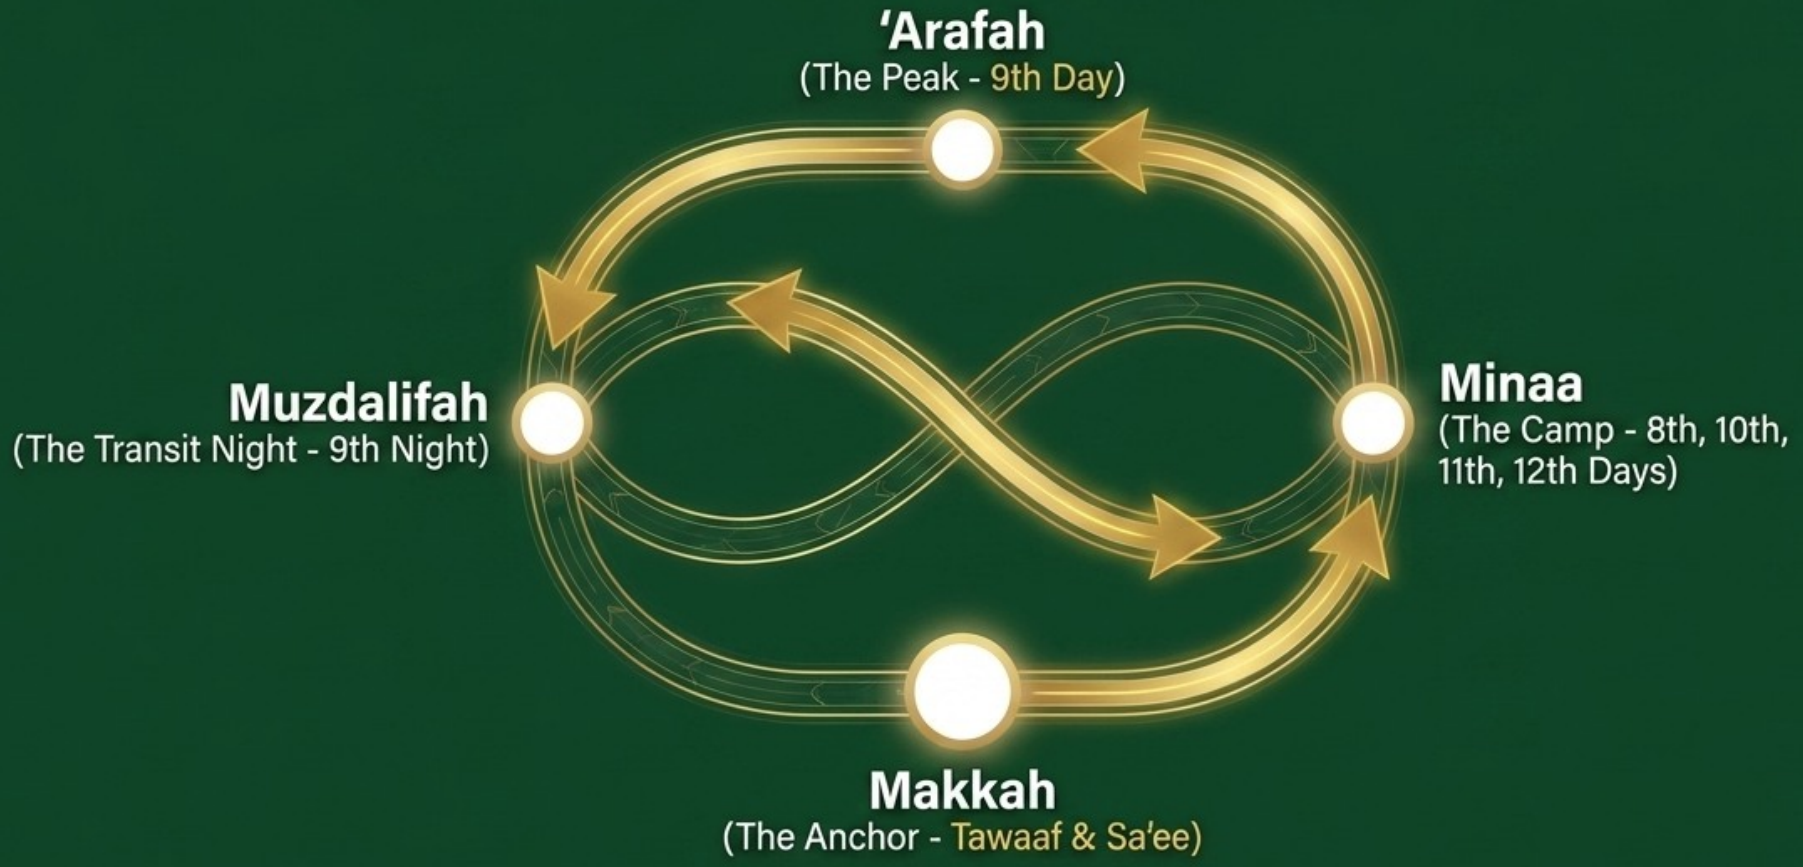
Departure: The Farewell Tawaaf (al-Wida)



The Primary Ruling:
Wida is Wajib (Mandatory) before leaving the city of Makkah.
⚠️ Penalty: If this Tawaaf is missed, a Dum (animal sacrifice) is required.
🧕 Women's Exception: Menstruating women are fully excused from Tawaaf al-Wida and may depart without penalty.

Synthesizing the Geographical Loop of Hajj



Takeaway: The Hajj is not a scattered list of rituals; it is a deliberate, physical journey out of the city to the plains of 'Arafah, and a gradual, purified return to the House of Allah.
